Title 16: Education

Chapter 1: ADMINISTRATION GENERALLY

16 V.S.A. § 14. Harassment; notice and response

§ 14. Harassment; notice and response

(a) An educational institution that receives actual notice of alleged conduct that may constitute harassment shall promptly investigate to determine whether harassment occurred. After receiving notice of the alleged conduct, the school shall provide a copy of its harassment policy, including its harassment investigation procedure, to the alleged victim and the alleged perpetrator. If either the alleged victim or the alleged perpetrator is a minor, the copy of the policy shall be provided to the person's parent or guardian. Nothing herein shall be construed to prohibit educational institutions from investigating and imposing disciplinary consequences upon students for misconduct. Elementary and secondary school officials shall strive to implement the plan developed in accordance with subdivision 1161a(a)(6) of this title in order to prevent misconduct from escalating to the level of harassment.

(b) In regard to claims brought pursuant to 9 V.S.A. chapter 139, if after notice, the educational institution finds that the alleged conduct occurred and that it constitutes harassment, the educational institution shall take prompt and appropriate remedial action reasonably calculated to stop the harassment. No action shall be brought pursuant to 9 V.S.A. chapter 139 until the administrative remedies available to the claimant under the policy adopted by the educational institution pursuant to subsection 166(e) or 565(b) of this title or pursuant to the harassment policy of a postsecondary school have been exhausted. Such a showing shall not be necessary where the claimant demonstrates that: (1) the educational institution does not maintain such a policy; (2) a determination has not been rendered within the time limits established under subdivision 565(b)(1) of this title; (3) the health or safety of the complainant would be jeopardized otherwise; (4) exhaustion would be futile; or

(5) requiring exhaustion would subject the student to substantial and imminent retaliation.

(c) As used in this section:

(1) "Designated employee" means an employee who has been designated by an educational institution to receive complaints of harassment pursuant to subdivision 565(c)(1) of this title or in accordance with the harassment policy of a postsecondary school.

(2) "Educational institution" means a Vermont public or independent school or a postsecondary school that offers or operates a program of college or professional education for credit or degree in Vermont.

(3) "Notice" means a written complaint or oral information that harassment may have occurred which has been provided to a designated employee from another employee, the student allegedly subjected to the harassment, another student, a parent or guardian, or any other individual who has reasonable cause to believe the alleged conduct may have occurred. If the complaint is oral, the designated employee shall promptly reduce the complaint to writing, including the time, place, and nature of the conduct, and the identity of the participants and complainant.
